FROM WYTHEVILLE

Weddings, New Buildings and Other News of this Growing Town and Community.

Wytheville, Va., May 5.
Mrs. W. A. Hall has returned from a visit to Richmond, and other points East.

The Wytheville Graded School holds its closing exercises in the Opera House May 8 h.

Quite a number of young people here expect to attend Martha Washington commencement at Abingdon, Va., May 24-26.

Messrs Geo. Sexton, Robt. Johnson, Chas. Carnetz, Chas. and Robert Thomas were among the number who attended the opening of the Jamestown Exposition.

Little Miss Lawson, of Burke's Garden, is visiting her aunt, Mrs. Lawson.

The "Coney Island Carnival Co." will show here this week.

Mrs. Crockett Bowen, of Tazewell, is visiting Miss Daisy Howe.

Quite a number of weddings are announced for June. It is said one of our fairest girls is soon to be the bride of a popular Tazewell county farmer.

A very quiet but pretty wedding was celebrated at the home of Mrs. John W. Robinson at Graham's Forge, Va., on Tuesday last at noon, when her youngest daughter, Miss Elizabeth Grame, became the bride of Mr. John Ingles, of Radford, only the relatives of the families being present.

Wytheville, while not booming, can boast of a number of improvements in her town. No place in Southwest Virginia can you find a finer or better equipped livery than the firms of White and Sudduth, and Brown and Cregar. Rich Bros. have let the contract for a large furniture house to take the place of their old one. The big green house of Linwood Co. on Tazewell street is doing a thriving business. A large foundry, which will give employment to a large number of hands, is being erected just below the depot.

A large number of visitors are expected here this summer as usual.

THE PRINTERS DAY

The Time is Here When Printers Have to Pay More For Supplies.

The printers day has come. There has been no increase in the price of printing material to amount to anything until recently. Within the past twelve months the increase in prices of white paper, and all job stock, has gone up from ten to twenty-five per cent, and is still going. As a result printers are making less money than heretofore, and this is true of the large dailies as well. The increase in size and circulation of the big papers has not been sufficient to offset the increase in prices and cost of production. In the face of these facts there must be no kicking when called upon to pay a higher rate for advertising and printing generally.

WHO IS PAYING THE DEBT?

Who is paying for your paper? If your subscription is unpaid some one is carrying it for you. Either the editor or your neighbors who pay up promptly, are doing this. In the meantime no body is carrying the editor. He must pay his paper bills and his help promptly or else go out of business. If your subscription and bills due the printing office are unpaid then some one else is carrying it for you, and you ought not, and cannot, as a reasonable, honest man allow this to be done. Who is paying your bills?

A Criminal Attack

on an inoffensive citizen is frequently made in that apparently useless little tube called the "appendix." Its generally the result of protracted constipation, following liver torpor. Dr. King's New Life Pills regulate the liver, prevent appendicitis, and establish regular habits of the bowels. 25c at Jacksons.

CLOTHING AND HATS MADE NEW

Have your clothing cleaned, repaired and pressed, to look like new. Panama and straw hats thoroughly cleaned, shaped and made to look like new ones.

Prices reasonable.

Attention CHOP USERS.

There is a merchant in Tazewell, that buys chop from the Wholesale Houses to sell. The same man when he wants chop for

His own use, gets it from the Burke's Garden Mills. He has two reasons for doing this:

1st. There is more profit to him in the Wholesale House chop.

2nd. He wants his stock to have the Best, therefore orders it from Burke's Garden Mills.

For prices etc., apply to

NOT NOTIFIED OF

TWO CENT RATE.

Richmond, Va., May 4.—The action of the railroads in regard to the ruling of the Corporation Commission fixing the 2-cent passenger rate, has thus far never been officially announced.

The delay is due to the fact that copies of the opinions of the commission have never been distributed among the railroads, and it is probable that it will be several days before the copies are received from the printers.

It is reported that the Southern railway will contest in court the constitutionality of the decision of the Virginia Corporation Commission requiring the Southern, the Chesapeake and Ohio, the Norfolk and Western, the Seaboard Air Line, the New York, Philadelphia and Norfolk and the Richmond, Fredericksburg and Potomac to charge 2 cents a mile for passenger transportation.

This announcement, while it has never been officially announced, is received on good authority, although the proceedings will not begin until copies of the opinions have been placed in the hands of the railroads.

Indications point to the fact that the railroads will all appeal from the order, and that they will unite in making common cause, as they stood together heretofore in resisting efforts of the Legislature to compel the 2-cent rate, and succeeded in having the State courts declare the 2-cent rate bill unconstitutional.

DOUBLE WEDDING

Former Tazewell Girls Married in Nebraska

A Nebraska paper of recent date gives an account of the marriage of Misses Marie and Grace Huddle, daughters of Mr. and Mrs. Frank Huddle, of Emerick, Nebraska, formerly of Tazewell, to Mr. Connie Volk and Mr. Albert Cress, respectively. The exchange says:

"The two popular brides are well and favorably known to all, being the daughters of Mr. and Mrs. Frank Huddle of Emerick. Mr. Volk, the son of Mr. and Mrs. Wm. Volk, is a Battle Creek boy. He is an industrious young farmer and has just completed a fine residence on his farm. Mr. Cress, though not so well known to Battle Creek people, bears a good reputation and will no doubt meet with the success which he deserves."

Sore Nipples and Chapped Hands

Are quickly cured by applying Chamberlain's Salve. Try it; it is a success. Price 25 cents.

We Don't Know.

A prominent citizen and large taxpayer of the county asks, "please let me know the exact cost of the new jail?" We don't know. The itemized statement has never been made public so far as we know. Suppose, of course, it will be embodied in the forth-coming report of the Board of Supervisors.

WOOL WANTED

Will pay market price in cash on delivery for wool. Shipments solicited, prompt returns, sacks furnished.

Why Do You Wait?

There is a large percentage of subscribers to this paper who keep their subscription paid up in advance. There are others who seem to think that the editor can afford to wait, and carry them indefinitely. There are others who pay no attention to statement sent them. The price of the paper is low—too low, yet it is often necessary to spend a large percentage of the subscription price in stamps, stationery &c trying to collect, so that when we finally get the subscription it looks like about 30 cents. Why do you wait to be dunned?

RUMMAGE SALE.

The ladies of the Cemetery Association will have another Rummage Sale in about ten days, and all friends of the work are asked to get contributions ready. If you wish the dray to call at your home, please let me know. Further notice next week.
Mrs. H. S. Harrison.

A Novel Introduction.

The Dr. Howard Company have entered into an arrangement with Jackson's drug store, by which a special introductory offer will be made of 25c on the 50c size of their celebrated specific for the cure of constipation and dyspepsia.

This medicine is a new discovery for the cure of all diseases of the stomach and bowels. It not only gives quick relief; it makes permanent cures. Headaches, coated tongue, dizziness, gas on the stomach, specks before the eyes, constipation and all forms of malaria and liver trouble are soon cured by this scientific medicine.

Jackson has been able to secure only a limited supply, so everyone who wishes to be cured of dyspepsia or constipation should call upon him at once or send him 25c by mail, and get 60 doses of the best medicine ever made, on this special half price introductory offer, with his personal guarantee to refund the money if the specific does not cure.

Mrs. Geo. B. Lake Has Serious Accident.

Mrs. Lake, wife of Capt. Geo. B. Lake, fell from the high sidewalk last Friday night, on her return from prayer meeting at North Tazewell, and sustained injuries which it is feared may prove fatal. Her hip was severely broken, and she sustained other injuries, which may prove fatal. There is a narrow board walk extending from the town along the river road to the homes of the people living west of the town. In a number of places this sorry walk is several feet from the ground on the lower side, and it is not wide enough for two people to walk side by side with comfort. Mrs. Lake and her daughter were walking together side by side, and it being quite dark she made a misstep, being on the outside, and fell to the street below, her daughter falling on her. Mrs. Lake was taken home on a cot, and upon examination it was found that her injuries were much more serious and severe than it was thought at first. Drs. Hall and St. Clair have been in attendance almost constantly, and owing to other serious complications have held out little hope of her recovery. Her daughters, one from Louisville, one from Lexington and one from Bristol, have all reached their mothers bedside. One son in Huntington, one son and daughter in China, cannot be here. Capt. Lake and his entire family have the deepest sympathy of the whole community in their great troubles, of which they have had their share during their residence in Tazewell.

A Hard Debt to Pay.

"I owe a debt of gratitude than can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry, hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equalled New Discovery for coughs, colds and all throat and lung complaints. Guaranteed by Jackson, druggist, 50c and \$1. Trial bottle free.

THE FAIR ASSOCIATION

Meeting of Board of Directors and New Officers Elected, Etc.

At a meeting of the stockholders of the Tazewell Fair Association, held last Monday, in the Court House, the following officers were elected for the ensuing year:

J. G. Buston, President,
R. B. Gillespie, 1st Vice-President,
H. S. Bowen, 2nd Vice-President,
W. P. Payne, 3rd Vice-President,
R. P. Copenhagen, Secretary and Treasurer.

S. J. Thompson was elected Chief Marshal.

Board of Directors:
J. G. Buston,
R. B. Gillespie,
George Shafer,
H. G. Peery,
J. D. Daley,
S. J. Thompson,
A. S. Greever,
S. D. May,
W. P. Payne,
H. S. Bowen,
R. P. Copenhagen.

The outlook for the coming Fair, next fall, was reported to be very encouraging. The Association is in a prosperous condition, and every thing points to a fine time next fall when the annual fair will be held.

Bluefield Election.

The election in Bluefield last Tuesday resulted in a victory for the Republican ticket. The contest was a warm one. There was an unusual amount of mudslinging, etc., during the campaign. Everything has quieted down, and the city is still, in statu quo.

Forty-One Poll Taxes.

A few days ago forty-one money orders were received by the Treasurer of the county, sent by one individual, to pay the poll tax of forty-one voters, whose names were given separately on each order.

These forty-one voters were distributed among both parties—about two Republicans to one Democrat, or thereabouts.

Four of the men, whose poll taxes were thus paid by the generous and unselfish (?) citizen, have since repudiated them, saying that it was an unauthorized proceeding on his part. It looks, therefore, as though these money orders were made out, signed and paid for without the knowledge or consent of the entire forty-one voters. Certainly four of them knew nothing of it and did not authorize it and if four, probably forty. The names of these parties are all filed, and can be given, if desired, as well as the name of the citizen who sent them, and may cut some kind of a figure in future campaigns in the county.

The question is; in the face of such palpable and open violation of law can the officers honestly place these names on the voting list?

Were these poll taxes paid "in person," as the law prescribes?

A Significant Prayer

"May the Lord help you make Bucklen's Arnica Salve known to all, writes J. G. Jenkins, of Chapel Hill, N. C. It quickly took the pain out of a felon for me and cured it in a wonderfully short time." Best on earth for sores, burns and wounds. 25c at Jacksons drug store.

Card of Thanks.

Mrs. Lowder and her family desire to express their grateful thanks to their friends and neighbors for sympathy and help during their recent great bereavement. Particularly are they grateful for the kindness and service of the central telephone girls, who rendered such signal and timely service, day and night.

Save Your Chickens.

Mr. Wm. Skaggs, a young man from Lee county, is in the community selling a sure cure for gapes in chickens, and also for the destruction of vermin, etc. Gapes and vermin are two prolific sources of loss in raising chickens, and this young man should do a fine business in the community. What money he makes this summer he will use in completing his education, and we trust all the people will encourage him and help him along by buying his recipe, which in itself is a good thing and cheap.

HOT WEATHER AHEAD.

How to Keep the Kitchen Cool in Mid-Summer.

Many a housekeeper is wondering how she will pass through the coming summer months with the stove she knows well will make the kitchen unbearably hot—to say nothing of the dirt, dust and ashes that will add to the discomfort.

There is a way out of it all—a way that not only lessens the work and keeps the kitchen cool, but that also reduces fuel expense. This convenience, comfort and economy is all effected by the New Perfection Wick Blue Flame Oil Cook Stove, an oil stove so superior to other makes that it is fast replacing the coal and wood range, the old fashioned oil stove and in many cases the gas stove.

Anyone who has had to wait ten or fifteen minutes for the fire to get started will appreciate the New Perfection, which gives a strong working flame at moment of lighting. The flame is always under immediate control and can be raised or lowered instantly. The convenience of this will be understood.

Then the comfort of it. While the flame of the New Perfection is intensely hot, yet the heat is not thrown out into the kitchen because it is concentrated by the blue enameled chimneys. On washing and ironing days the New Perfection will be appreciated. The New Perfection is made in three sizes, with one, two and three burners, and is warranted to give satisfaction.

The New Perfection Wick Blue Flame Oil Cook Stove and Rayo Lamp are two real essentials to home comforts. Their easy operation, absolute safety and handsome appearance commend them wherever stoves and lamps are used.
